"No More Hurting People" – Martin Richards, age 8

When tragedy strikes, we ban together; and the goodness of humanity prevails. In times of peril, our neighbors, friends and families become first responders and heroes. Even complete strangers transform seamlessly into helpers, enablers and survivors. In December of 2007, our family learned firsthand how important that compassion and support really is. Just days before Christmas, our world imploded when a tragic accident critically injured our 8-year old daughter Jaiden. In horrific shock, we spent the next 25 days at Children's Hospital in Boston while our family, friends, and neighbors rallied around us praying for Jaiden's recovery. Sadly, that prayer never came to fruition. In the midst of our anguish and grief; our love for Jaiden motivated us to launch a Foundation in her name and her beautiful spirit.

Jaiden's Angel provides assistance to local families facing tragic child accidents, catastrophic child illness, and the unbearable loss of a beloved child. We provide gas cards for hospital travel, purchase necessary medical equipment, pay outstanding bills or mounting living expenses during times of tragedy. We create video memorials for families that lose a precious child, and help pay for final expenses. You cannot imagine the depth of anguish that accompanies a catastrophic child illness or accident until it happens. In one instance; your world changes forever. We provide hope during times of intense stress and grief. In Jaiden's honor, we make a positive difference... one family at a time!

Please join us at our 6th Annual Golf Tournament on Friday, September 20, 2013, at Stonebridge Country Club in Goffstown, NH. We seek corporate sponsors, raffle and silent auction items, and at least 100 golfers! We are a registered 501c3, (EIN# 30-0456287), and our entire Board of Directors is comprised of volunteers. No salaries are drawn and all funds raised go directly toward assisting local families in need. Please consider signing on as a corporate sponsor or silent auction donor.

BELIEVE that one person truly can make a positive difference!

Best Regards,

Holleigh Ciardelli Tlapa
